BERT C. COLE  
Commissioner of Public Lands

January 9, 1961

Mr. William L. Fortman, City Engineer  
City Hall  
239 Fourth Street  
Bremerton, Washington

Dear Mr. Fortman:

In 1938 the City of Bremerton obtained a lease for 10 years on the following described harbor area in front of High Avenue in the City of Bremerton:

"All harbor area in front of the east 30 feet of Lot 1, Section 14 and the west 30 feet of Lot 2 (High Avenue), Section 14, Township 24 North, Range 1 East, W.M. and bounded by the inner and the outer harbor lines and the side lines of said portions of Lots 1 and 2 produced to and across the harbor area to the outer harbor line, as shown on the official maps of Bremerton Tide Lands on file in the office of the Commissioner of Public Lands at Olympia, Washington."

A re-lease on this harbor area was granted in 1948 for a term of 10 years. The City of Bremerton then filed Application No. H. A. 1741 in this office on August 15, 1958 to re-lease this harbor area.

This harbor area is apparently being used for sewer outfall and it is the opinion of this office that it would be more convenient for the City of Bremerton to obtain a permanent easement for right of way for sewer outfall over this area.

We realize that the lease gives the City the exclusive right to use this harbor area for its purposes, whereas with an easement this office could grant other rights in the harbor area subject, however, to the City's easement.

Enclosed is a copy of our letter of September 12, 1958 and an application for right of way over State lands form.

Please note that your harbor area exhibits filed when you originally obtained a lease on this area will serve as the regulation plat that must accompany all applications for rights of way over State lands.

Yours very truly,

BERT L. COLE, Commissioner

September 12, 1958

Honorable H. O. Domstad, Mayor  
City of Bremerton  
239 Fourth Street  
Bremerton, Washington

Dear Mayor Domstad:

Please fill out and return the enclosed right of way Application for an easement for a right of way for a sewer outfall over the harbor area in front of a portion of Government Lots 1 and 2, Section 14, Township 24 North, Range 1 East, W.M.

Making this application will enable us to cancel out your pending harbor area re-lease Application No. 1741 and issue in its place a permanent easement for the City of Bremerton's improvements over and across the above mentioned harbor area.

We believe that this arrangement will be more convenient for the city in that these periodic applications for re-lease of harbor area will not have to be made and also a permanent easement and not a harbor area lease is the proper method of handling rights of way over the harbor area. Harbor area leases should be confined to those areas having improvements for the use of navigation and commerce.

Your harbor area exhibit, presently on file in this office, will serve in lieu of the required regulation plat that must accompany all applications for right of way over State land.

If this plan meets with your approval, please let us know by completing the enclosed right of way application blank.

Yours very truly,

BERT L. COLE, Commissioner

Attention: M. E. Bowler, Supervisor  
Civil Engineering Division

Gentlemen:

Your letter dated December 21, 1960 to Mayor Domstad, Bremerton, Washington has been referred to this office.

After exhausting all efforts to find a letter from the Department of Natural Resources concerning an application for a sewer outfall over the harbor area in front of a portion of Government Lots 1 and 2, Section 14, T24NR1EWM, may I request that you furnish more information on the application in question.

It is the desire to completely cooperate with the Department on such subjects as are at hand but having no knowledge about the subject, makes it impossible to comply.

Respectfully

  
William L. Fortman  
City Engineer

WLF:rb

December 21, 1960

Honorable H. O. Domstad, Mayor  
City of Bremerton  
239 Fourth Street  
Bremerton, Washington

Dear Mayor Domstad:

Please refer to our letter of September 12, 1958 regarding the City's application for sewer outfall over the harbor area in front of a portion of Government Lots 1 and 2, Section 14, Township 24 North, Range 1 East, W.M.

It was suggested that in place of the application for a harbor area lease to cover the sewer outfall, that you submit an application for an easement for a right of way for said sewer outfall, which is considered to be more convenient for your purpose and also would be of a permanent nature.

We have received no reply to our letter and it is requested please that you advise if this sewer outfall is in use at the present time and if so, will an application for an easement to cover same be forthcoming.

Yours very truly,

BERT L. COLE, Commissioner

### Rules Governing the Submission of Plats, Plans and Specifications in the Matter of Leasing Harbor Areas

1. Accompanying each application and made a part thereof shall be: (a) A map marked "Exhibit A," showing the location of the portion of the harbor area desired to be leased; (b) a plat marked "Exhibit B," showing detail plans of improvements to be made or already existing on such area; (c) specifications marked "Exhibit C" to accompany the detail plans in "Exhibit B."

2. "Exhibit A" must be on good quality of mounted paper, 17x22½ inches, and must show the location of the area desired to be leased, with the frontage of the adjoining lots or blocks of the shore or tide lands; also the ground plan of docks or wharves to be constructed or existing; also showing buildings located on such wharves. All courses and distances must be clearly marked.

3. "Exhibit B" must be on a good quality of mounted paper, 17x22½ inches, and shall show a detail plan of the improvements to be made or already existing, showing distances from center to center of piles, depth of water, height above water, and details of superstructures; also showing methods of bracing, where any is used; also a plan of slips; but no buildings need be shown on the detail plans.

4. "Exhibit C" must give length and dimensions of piling and depth driven, dimensions of caps, dimensions and spacing of stringers, thickness of planking, length and dimensions of drift bolts, size and number of spikes, and details of construction.

5. "Exhibits B and C," here called for, are intended to cover all details of the construction of docks, wharves and other structures, and such plans and specifications must be such as would be used in actual construction, and no detail, whether here called for or not, must be omitted that would be necessary to such construction.

6. Exhibits must be prepared, signed and sealed by a registered professional engineer or land surveyor.

JACK TAYLOR,  
Commissioner of Public Lands.

## Application for Lease of Harbor Area

To the Commissioner of Public Lands, Olympia, Washington:

The undersigned City of Bremerton, Washington, a Municipal Corporation entitled to acquire and hold lands under the laws of the State of Washington, residing at Bremerton, Washington, hereby applies for the lease of the following described harbor area, situate in Kitsap county, State of Washington, to-wit, being/the area in front of lots 1 & 2 block 14-24-1E, of Sec. 14-24-1E, tide lands, according to the official plat thereof, and more particularly described as follows:

*Copy 2*  
All harbor area in front of the east 30 feet of Lot 1, Section 14, and the west 30 feet of Lot 2, (High Avenue), Section 14, Township 24 North, Range 1 East, W.M., and bounded by the inner and the outer harbor lines and the side lines of said portions of lots 1 and 2 produced to and across the harbor area to the outer harbor line, as shown on the official maps of Bremerton Tide Lands on file in the office of the Commissioner of Public Lands at Olympia, Washington.

*Same as former App 1460, H.A. Lse. 1421, Expired 8-9-158*  
*Located on Port Washington Narrows in the City of Port of Bremerton in Kitsap County*

The area is shown on exhibits prepared as per instructions on reverse of this application. (Renewal)

For what purpose is the harbor area wanted? Sewer Out Fall
